# Best of Spring at Silver Bay

We hope you had a fantastic time during spring half term and made memories to treasure for a lifetime. The summer holidays are finally here! With so much planned, we hope to keep you entertained all summer long. See the Busy Bayers newsletter to keep up to date on all the activities.

It's time to say goodbye to Anne. Anne has been a part of the Silver Bay team for nearly 25 years! She is the second longest member of staff to work at Silver Bay.

Over the years her role has involved housekeeping, DIY, gardening and creating the magical Santas Grotto loved by everyone. From cleaning, to gardening to helping with the Busy Bayers, there isn't anything she can't do. She has always been there to put a smile on your face and we wish her the best as she retires.

See our Busy Bayers newsletter for all full list of activities over the Summer holidays. We have a selection of new **Adult Activities** too such as **Cupcake Decorating, Pottery Painting** and **Sweet and Savory Samosas**. All need to be booked online in usual way: [www.bookwhen.com/bayactivities](http://www.bookwhen.com/bayactivities)
